

splitsbundel

- Splitsspelletjes: Lamineer, knip de kaartjes en druk het notitieblad af. Je kan bv. in duo's laten werken. Iemand trekt een kaartje, het passende diertje wordt gezocht en de uitkomst wordt in de bol geschreven.

Je kan ze ook gebruiken volgens het principe van write the room.

- Verschillende soorten werkbladen
- Cupcakes: Zoek de vriendjes van 10 en leg ze op de cupcakes in zwart-wit. Je kan ze eventueel laten bevestigen met velcro.
