## luister goed en kleur...

Op de volgende 2 pagina's staat een "kleur..." opgave, De kinderen luisteren naar de opdracht en voeren deze uit, bijvoorbeeld:

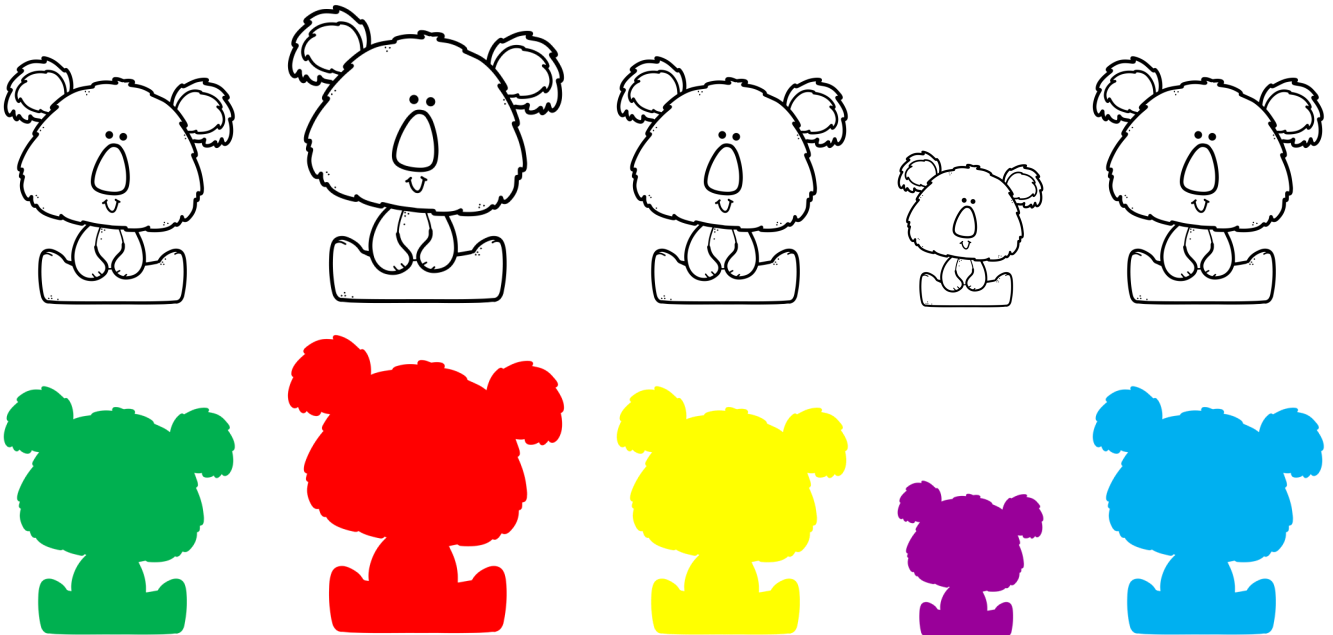

Kleur de grootste koala rood.

Kleur de eerste koala groen.

Kleur de middelste koala geel.

Kleur de laatste koala blauw.

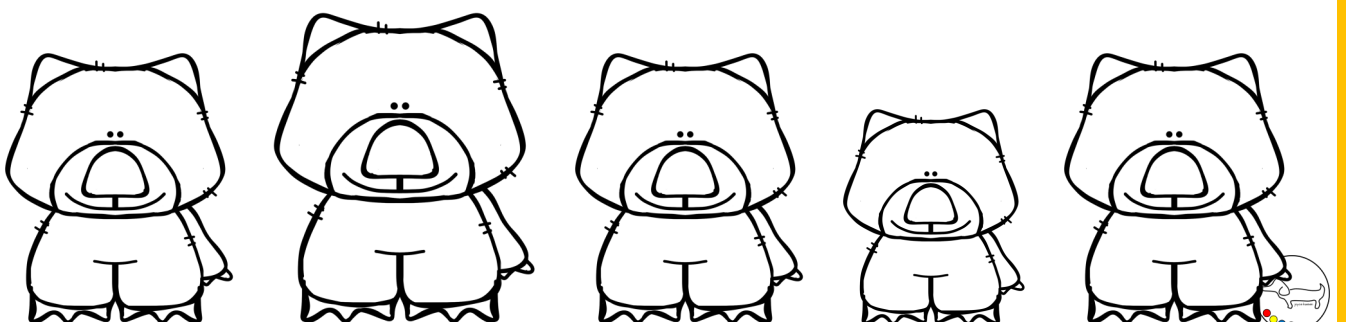

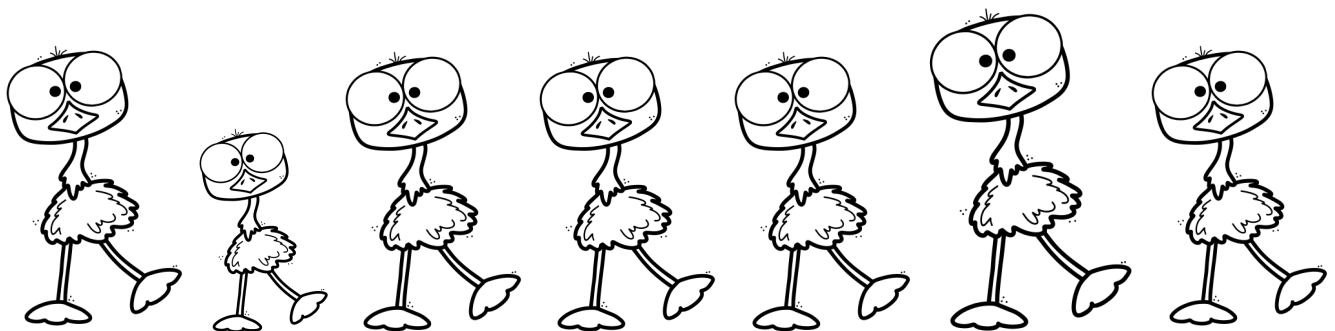

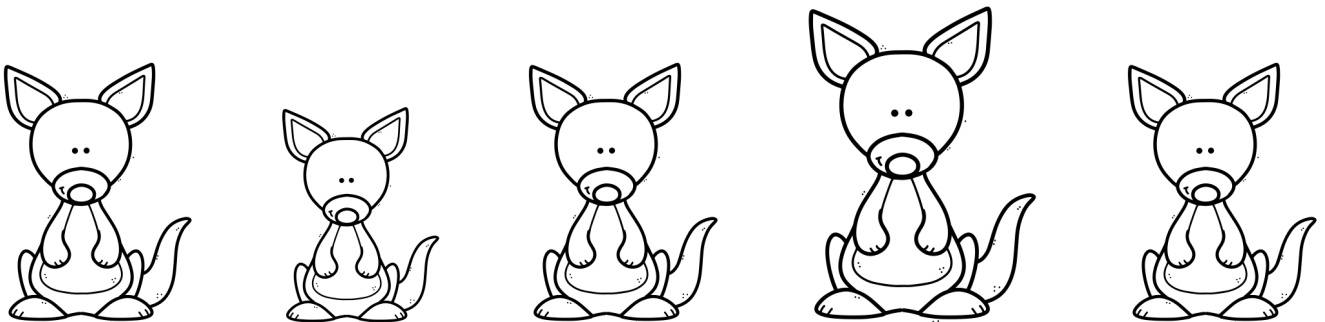

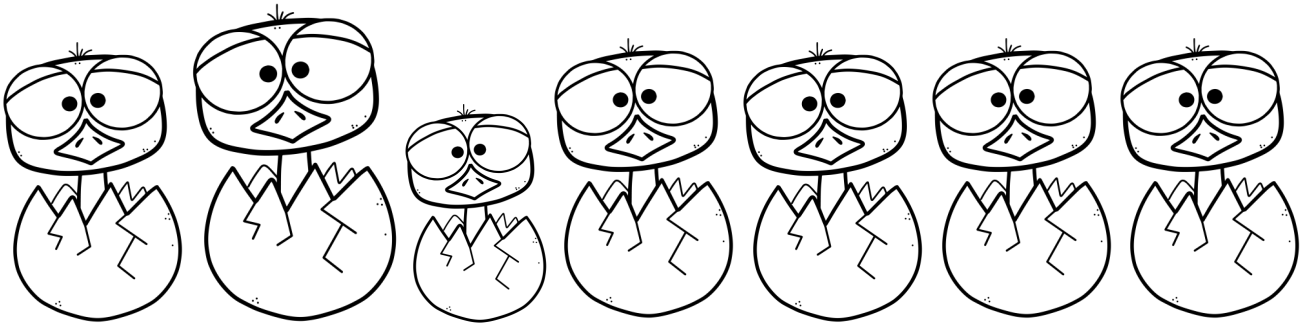

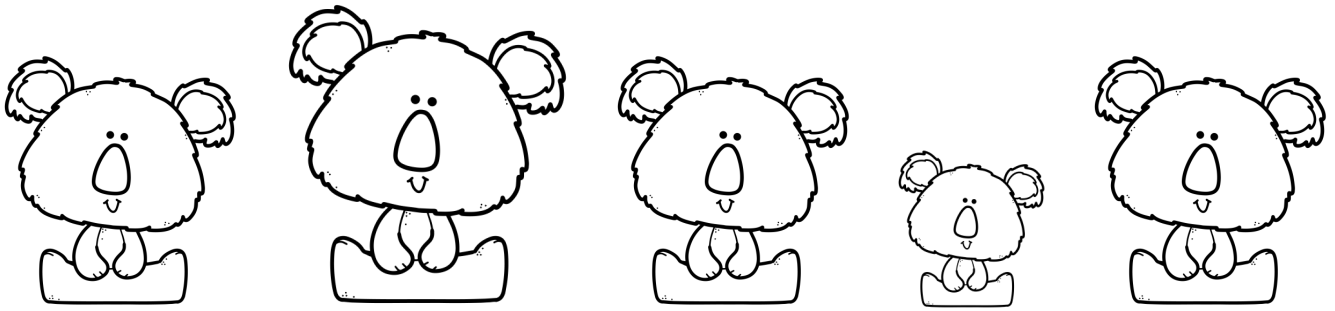

Kleur de kleinste koala paars.

Je kunt zelf kiezen of je alle opdrachten geeft, of maar 1 per regel. Je kunt ook de rangtelwoorden oefenen, bijvoorbeeld kleur de vierde laars oranje.
